Objective

Aspiring Computer Science and Engineering undergraduate seeking an entry-level opportunity to apply programming, problem-solving, and software development skills in real-world projects. Eager to contribute to innovative technology solutions in software development, web technologies, cloud computing, and UI/UX Designing while gaining hands-on industry experience and continuously enhancing technical expertise.

Education

B.Tech , Computer Science and Engineering Sri Venkateswara College Of Engineering , Tirupati CGPA: 8.9	YOP 2028
Diploma , Computer Science and Engineering Government Polytechnic College, Proddatur CGPA: 9.1	YOP 2025
Board of Secondary Education Rami Reddy High School CGPA: 8.3	YOP 2022

Skills

Software Tools: Visual Studio Code ,MySQL Workbench ,GitHub
Design Tools: Figma , Canva
Languages: Telugu, English
Programming Languages: Basics of C, Python, Java, AI , ADS,C++

Projects

- | | |
|--|-----------|
| Weather Forecasting | 2024–2025 |
| <ul style="list-style-type: none">Built a weather forecasting application that retrieves and displays real-time weather information using APIs. Implemented an intuitive interface for users to access accurate weather predictions and updates. . | |
| Designing Netflix App Using Figma | 2025–2026 |
| <ul style="list-style-type: none">Designed a Netflix-inspired app prototype in Figma with modern UI/UX principles. Developed interactive wireframes and high-fidelity screens to enhance user experience and usability. | |
| Personal Portfolio Website | 2026 |
| <ul style="list-style-type: none">Created a personal portfolio website to highlight technical skills, projects, and academic achievements. Implemented a responsive design with a clean and user-friendly interface. | |

Internship

- | | |
|--|---------------------|
| SkyQuad Electronics Pvt.Ltd , Medchal | May 2024 – Nov 2024 |
| <ul style="list-style-type: none">Assisted in testing and validating electronic and software systems to ensure quality and performance standards.Performed functional testing and documented test results, defects, and observations. | |

Workshops

- | |
|--|
| UI/UX Designing Workshop |
| <ul style="list-style-type: none">Participated in a UI/UX Design Workshop and learned the fundamentals of user-centered design, wireframing, and prototyping.Created interactive user interface designs using Figma, focusing on usability, accessibility, and user experience. |
| AWS Cloud Computing Workshop |
| <ul style="list-style-type: none">Participated in an AWS Cloud Computing Workshop and gained knowledge of cloud computing concepts, services, and deployment models. .Learned the fundamentals of AWS services such as EC2, S3, and IAM, along with basic cloud security and infrastructure management. |

Area of Interest

- Full Stack Development
- UI/UX Design
- Cloud Computing
